Step 7

Next, the resident selects the areas of activity.

Step 8

Next, the resident selects the size of the home.

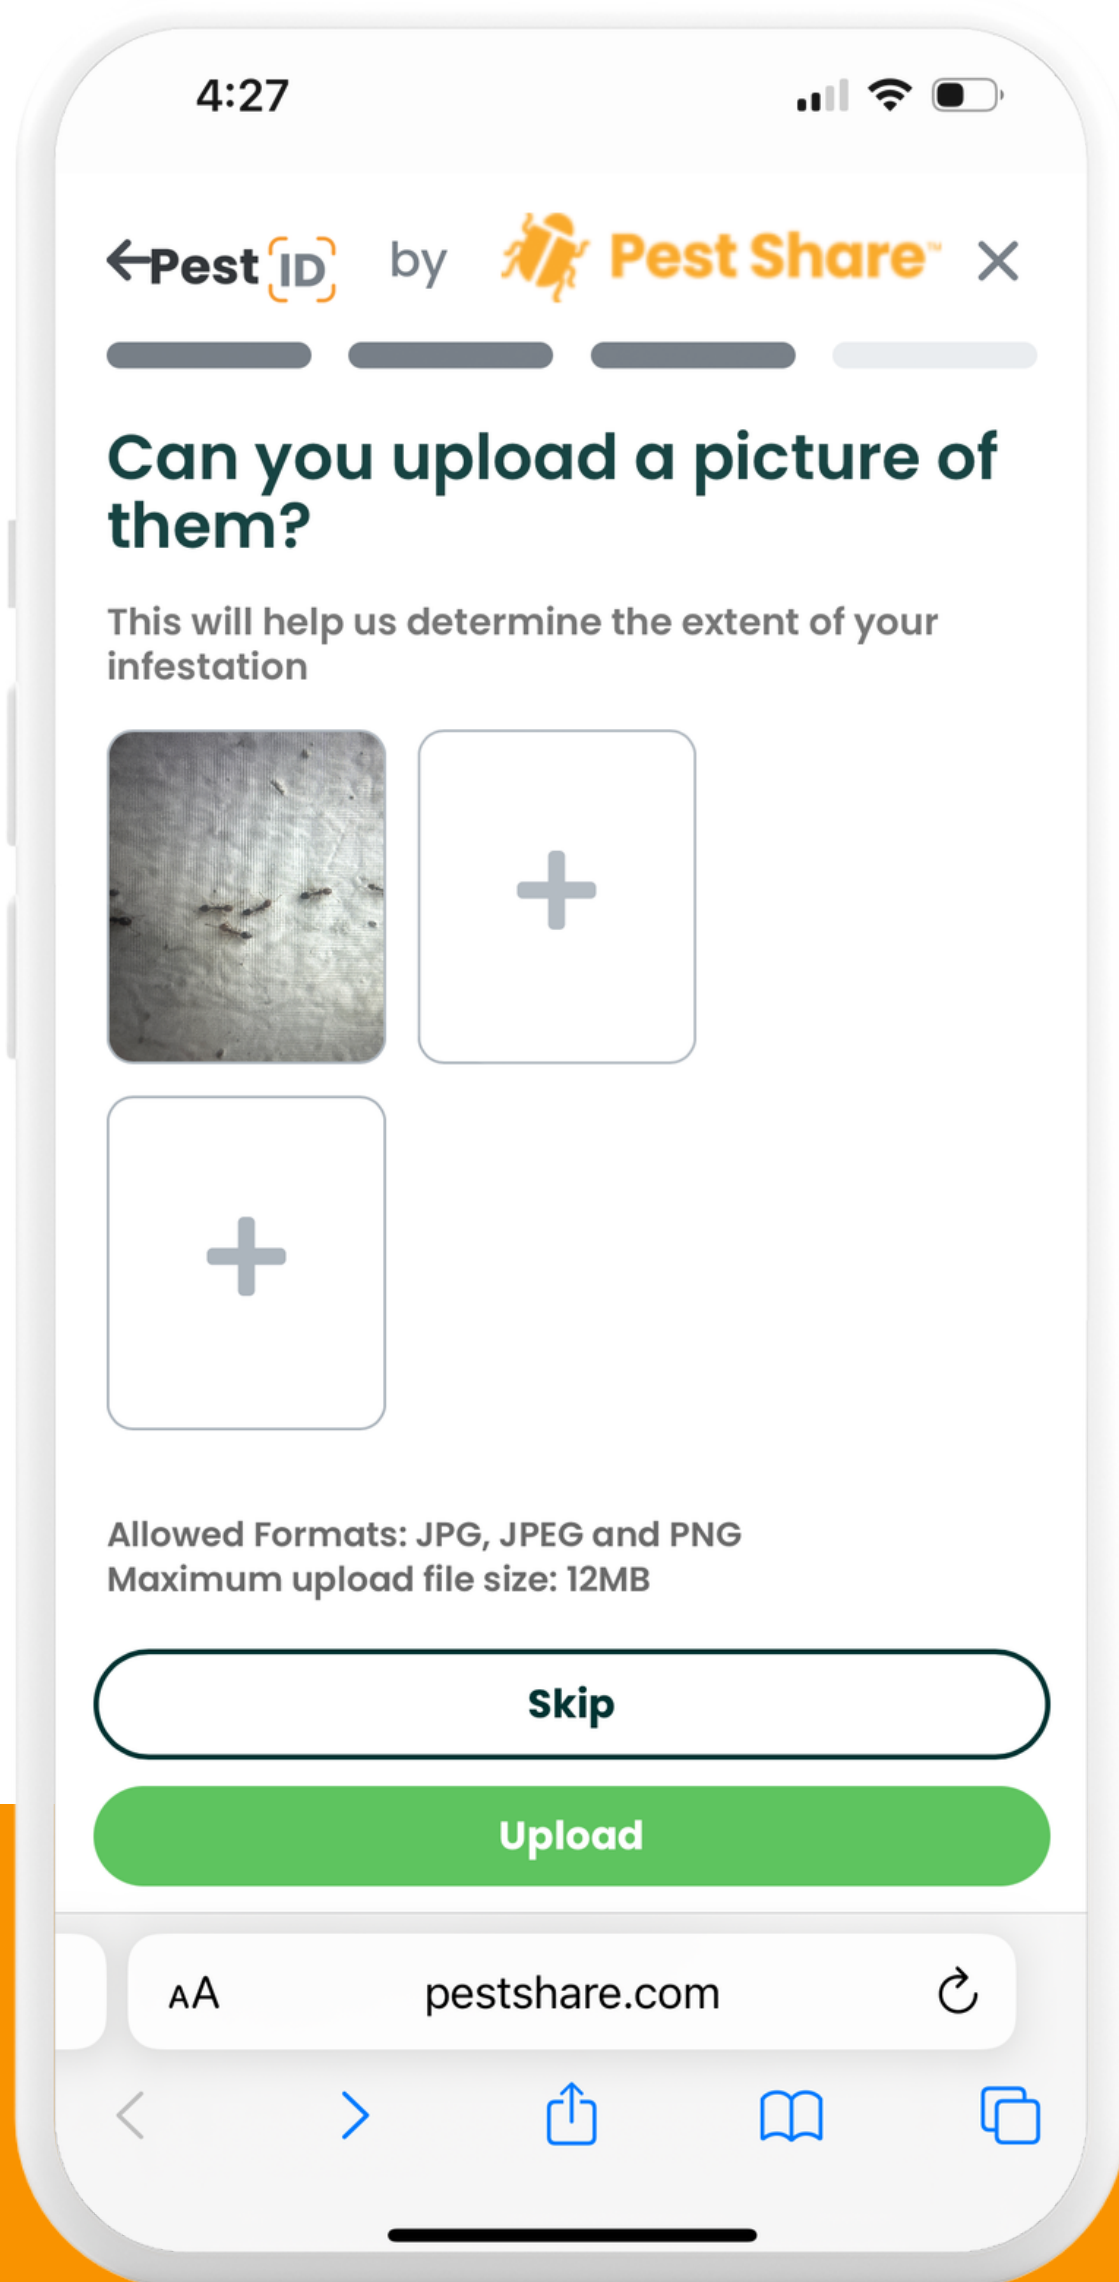

Step 9

Next, the resident selects the amount of activity experienced.

The screenshot shows a mobile app interface for Pest Share. At the top, the time is 4:27 and there are icons for signal strength, Wi-Fi, and battery. Below the status bar, there is a navigation bar with a back arrow, the text 'Pest ID', 'by', the Pest Share logo, and a close 'X' icon. Below this is a progress indicator with four segments, the second of which is filled. The main heading is 'How many of them have you seen?'. Below the heading is a sub-heading: 'We will use this information to speed up your Other Ants removal process'. There are three dropdown menus: 'I've seen' with '11-20 Other Ants' selected, 'In the last' with '1 day' selected, and 'In groups of' with '4-8' selected. At the bottom of the form is a large green button labeled 'Confirm Infestation'. Below the button is a browser address bar showing 'AA pestshare.com' and a refresh icon. At the very bottom are standard mobile browser navigation icons: back, forward, share, bookmarks, and tabs.

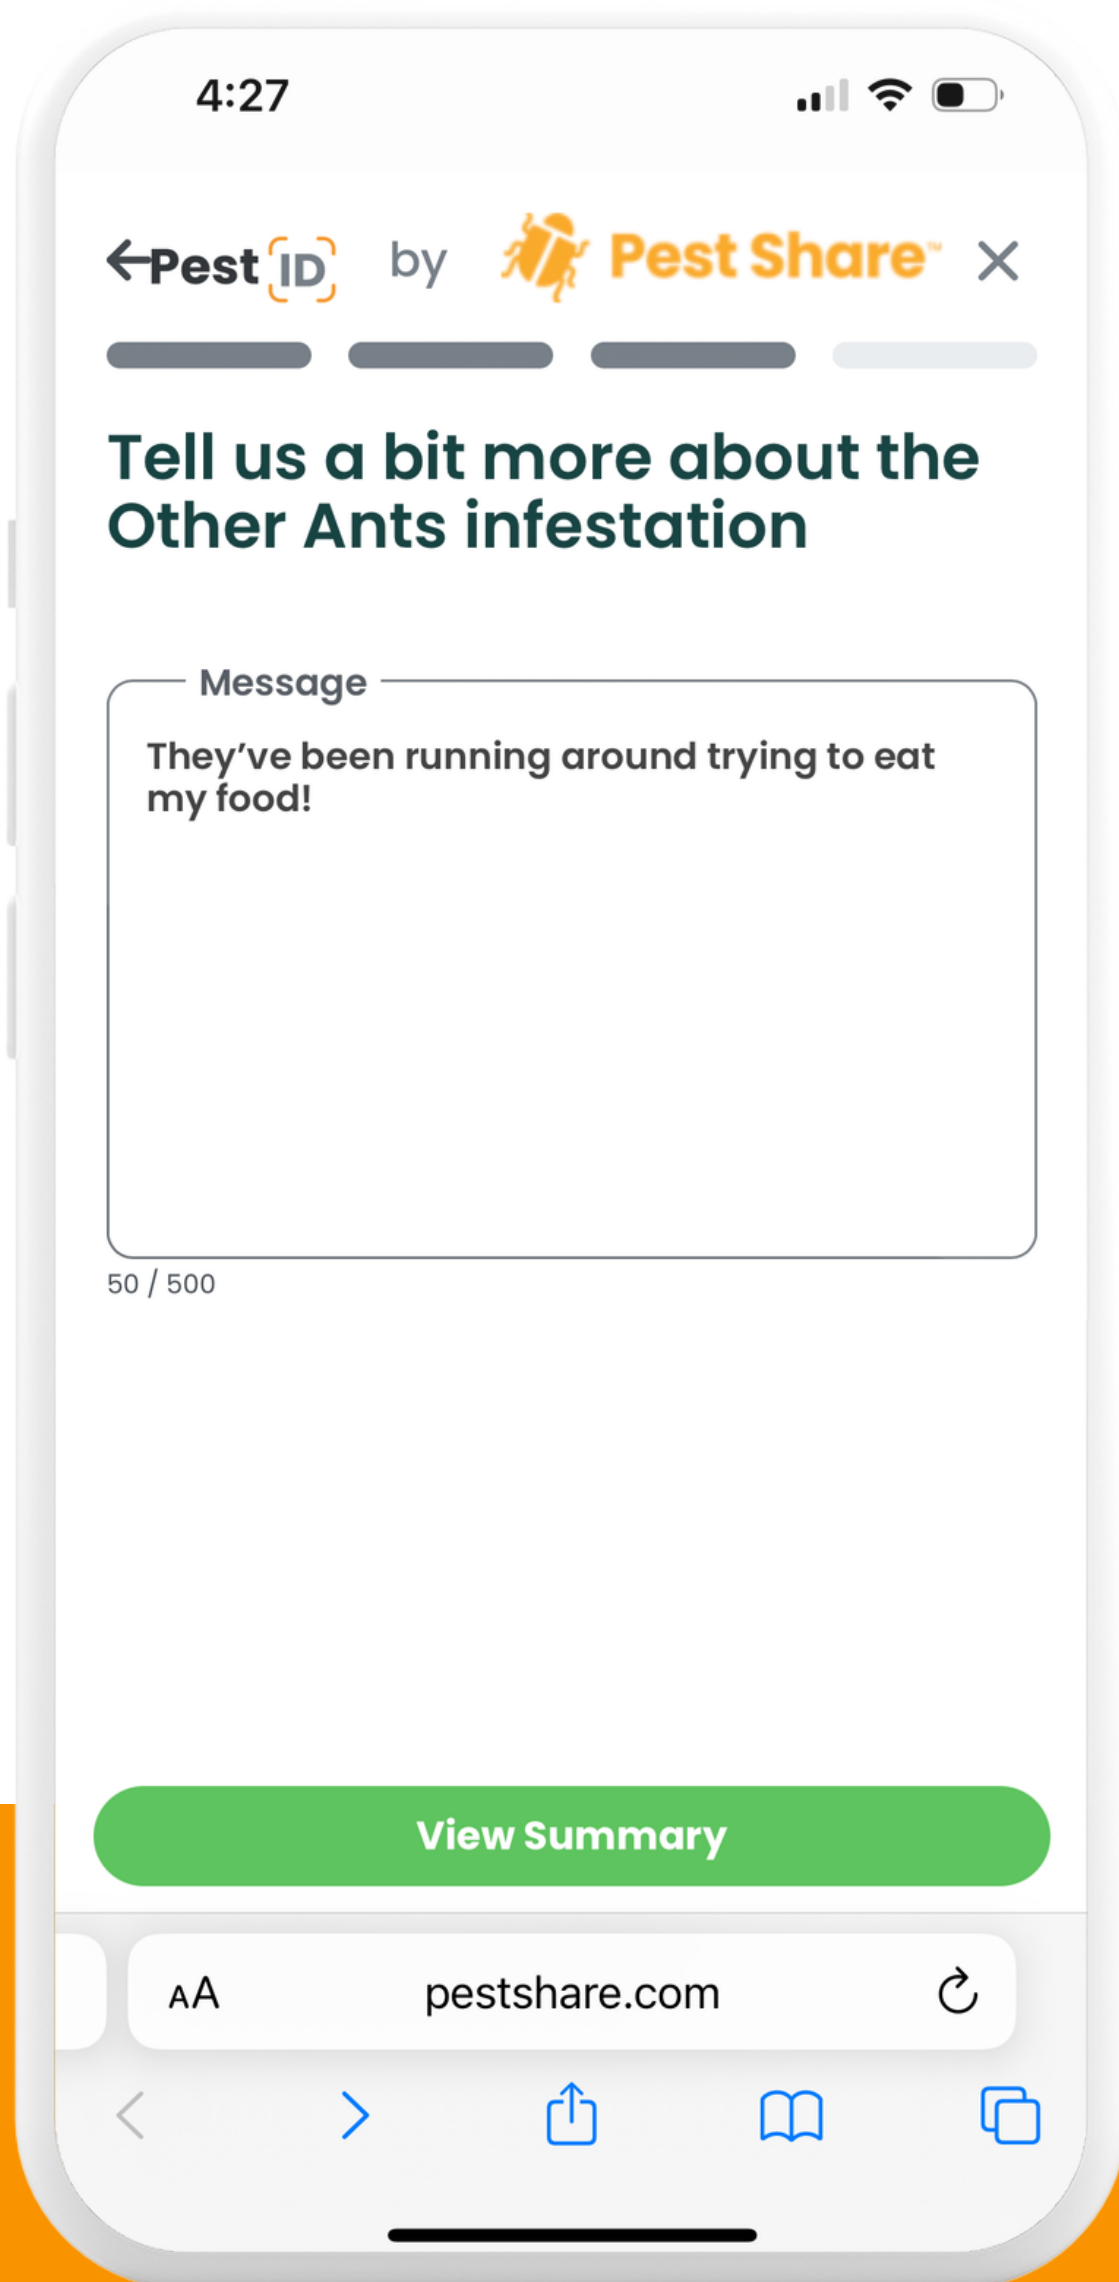

Step 10

Next, the resident is prompted to upload a picture of the activity.

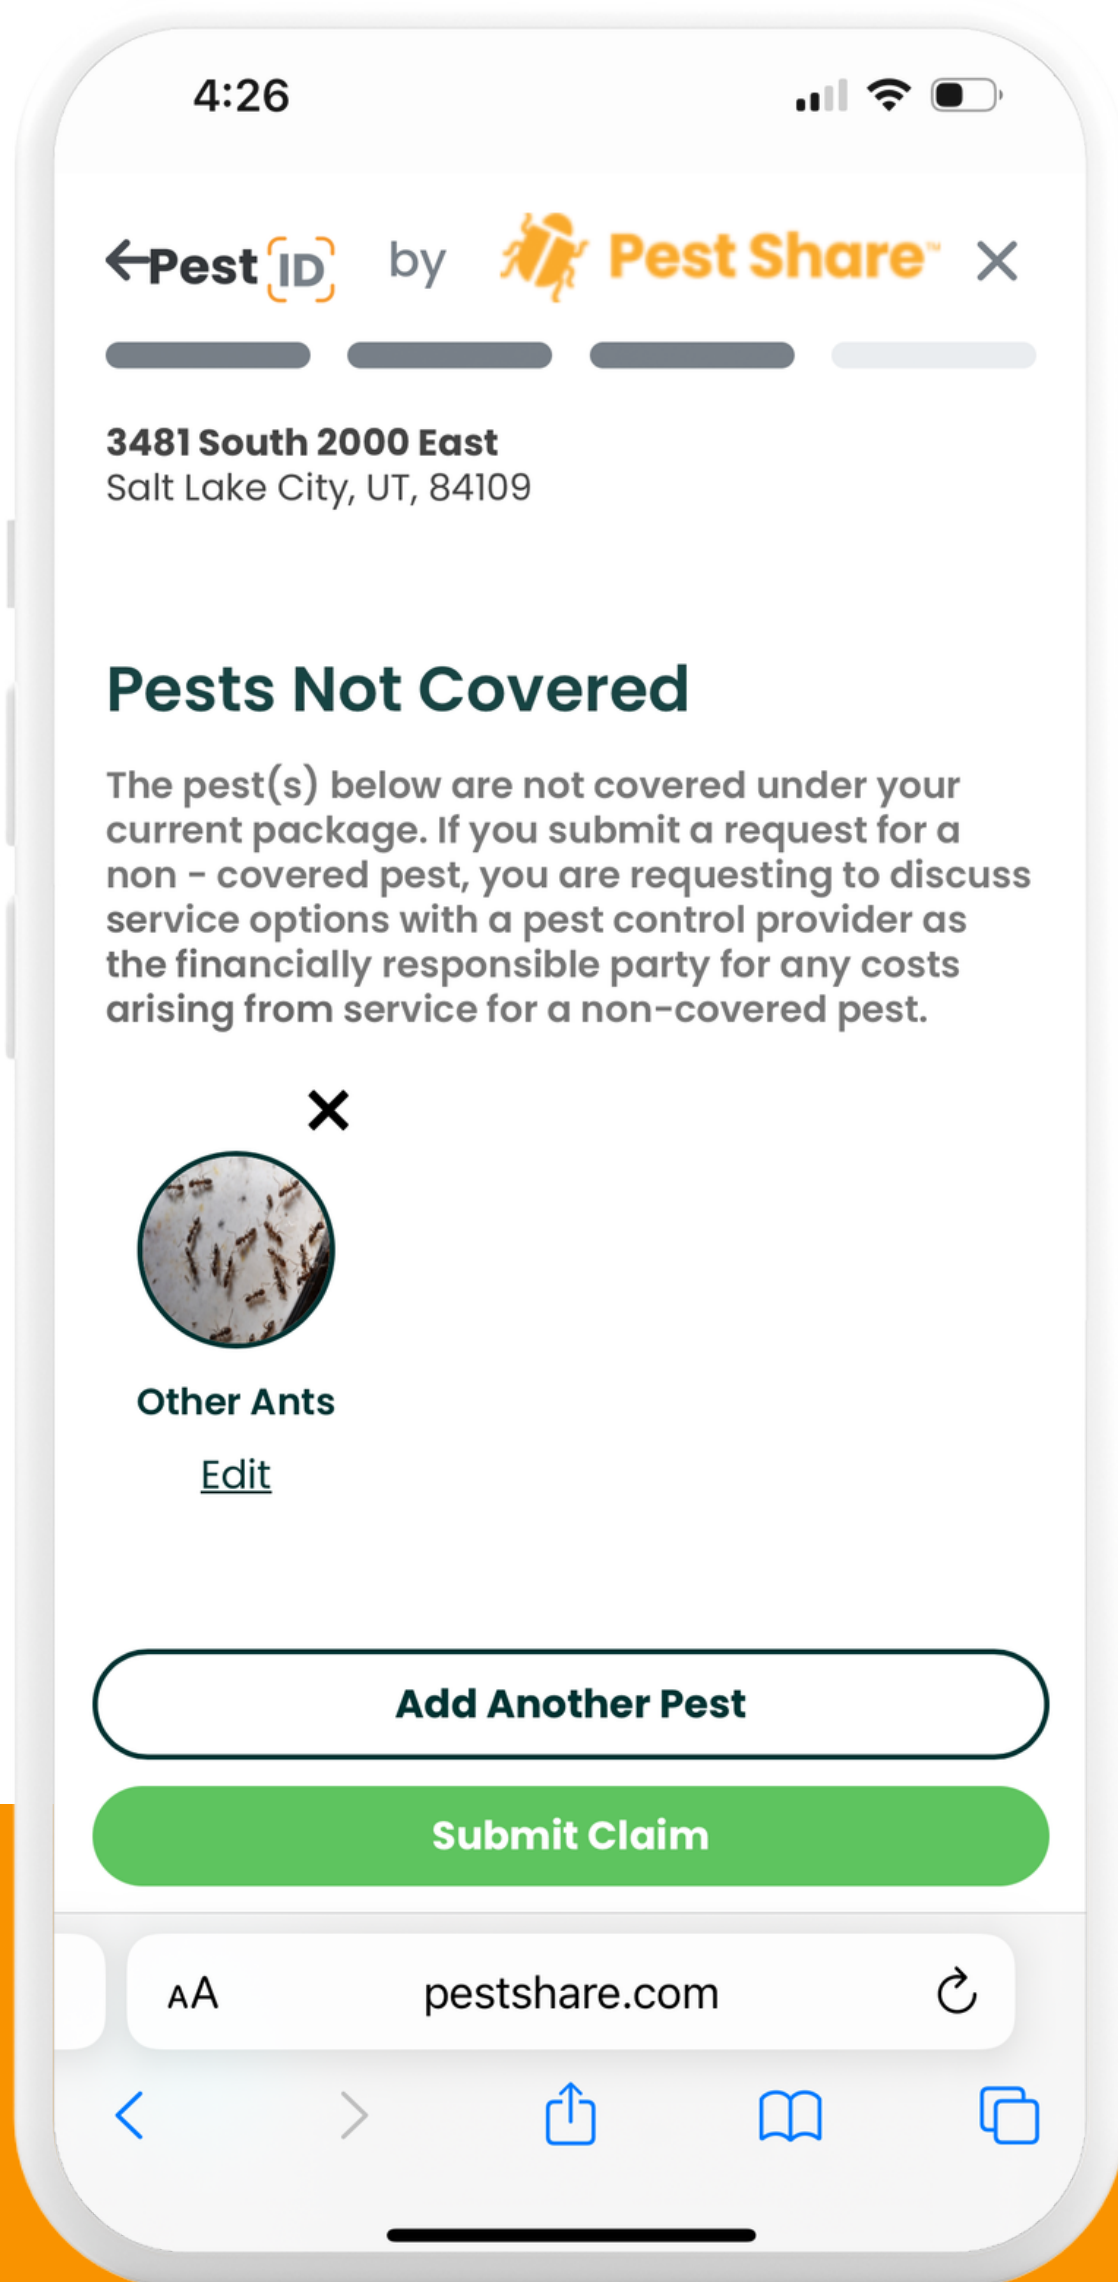

Step 11

Next, the resident may provide any extra details they would like.

Step 12

Next, the resident is informed of their coverage and submits the claim.
